

# The Most Advanced QuickBooks

Advanced financial software with the ease of QuickBooks.

## 5 REASONS . . . . .

Intuit® QuickBooks® Enterprise Solutions is the Right Solution for You

### 1 Enhanced Reporting Customization

- Export, save, and reuse your QuickBooks report formatting for Excel.<sup>1</sup>
- Combine reports from multiple company files.<sup>2</sup>
- Create financial statements<sup>3</sup> and custom reports with ODBC-compliant applications.<sup>4</sup>

### 2 Sophisticated Inventory Capabilities

- Access your inventory items and activities all in one place with the Inventory Center.
- Enter received inventory by item receipts and bills or by purchase order, and change assembly components on the fly.
- Manage inventory with FIFO costing, serial number or lot tracking and multiple location inventory right in QuickBooks with Advanced Inventory.<sup>5</sup>

### 3 More Productivity Tools

- See a calendar view of current and past due invoices, billing and other important tasks, review, select and process or postpone each individual transaction.
- Work in two company files at the same time.<sup>6</sup>
- Define custom fields, set closing dates, make deposits, change any list sort order, and more in Multi-User Mode.

### 4 Expanded User Controls

- Restrict user access to individual reports, bank accounts, lists and activities in QuickBooks.
- Use Audit Trail to protect you against employee fraud and detect employee errors by recording transactions entered, edited and deleted.

### 5 Room to Grow

- Scale from 5 to up to 30 simultaneous users.<sup>7</sup>
- Track hundreds of thousands of customers, vendors, and inventory items.<sup>8</sup>

Plus, you get exclusive access to our U.S.-based team of product experts, unlimited technical support, and upgrades included the first year.<sup>9</sup>

## What Customers Say

### Advanced Functionality

"Our inventory is very, very complicated, with over a thousand different models. QuickBooks Enterprise Solutions does a great job helping us keep everything about our 200,000 item inventory accounted for—so we never run short or have too much stock on hand." *Jeff Cooper, President/Chief Executive Officer, Remotes Unlimited*

"The software has very comprehensive security features, so you can actually design profiles for different users, to give them access to specific functions. That's really powerful stuff that you would expect to cost in the tens of thousands of dollars, rather than \$3,000." *Emile Amarotico, President/General Manager, Standing Stone Brewing Co.*

### Ease of Use

"I was totally amazed by how easy it was to convert our data to QuickBooks Enterprise Solutions. The whole process was very smooth. And once we got started using Enterprise Solutions we quickly realized that it's a lot better than what we were using before." *Penny Penrose, Controller, CyberCity*
